2012 – Application for Quay Space

Please return by 30th November 2011 to the QUAY SECRETARY at the above address.

Applications will be dealt with in date order thereafter.

This year demand for space on the Quay has again outstripped availability. When submitting an application for Quay space please can you advise if your boat/engine is only to be used over limited periods of the year so that spaces can be allocated appropriately. The Quay Manager reserves the right to alter allocations to make the best use of the available spaces.

Please remember to include a cheque (payable to St Mawes Sailing Club) with your application. Notification of allocation will be sent in March. Your cheque may not be cashed until the allocations have been finalised.

Please be mindful of the Quay bye-laws. Users of all the Club facilities do so at their own risk. The Club and its officers do not accept responsibility for injury, damage, loss howsoever caused. In future, preference for allocations for dinghy spaces may need to be given to those boats most regularly used in the preceding season.
