

St Mawes Sailing Club – July Bulletin

Adventure Training for Juniors

The Club has a close association with the Falmouth Sail Training Ship *Hardiesse* and many of our junior members have had a great time aboard her on the Summer Adventure Training Trips. We now need an adult member to volunteer to spread the word amongst the Club's families to make sure the berths for our two annual trips are all filled. This is not an onerous task, but it will need a bit of enthusiastic contact with the Club's family groups to encourage them to sign up their youngsters for some great adventure! If you are willing to lend a hand please contact the Vice Commodore, Mike Garside, on 01326 270852 or MVGarside@aol.com

The Hardiesse Brittany Cruise

How about offering your teenage son/daughter something different this year? Hardiesse still has places available for 12-16 year olds on its annual cruise to Brittany, which takes place this year on 6-17th August. Click [here](#) to see a five minute film of "A Day on Hardiesse" and [here](#) to obtain the Booking Form.
