

St Mawes SC December 2017 Bulletin

VHF Course: If anyone is interested in attending a VHF course this Winter contact Delia Hazell , Rear Commodore Sailing delia@hazell-uk.com.

If there is enough support a course could again be arranged at the clubhouse. This proved to be popular last year.

Volunteers Wanted! To help with the running of Percuil River Moorings. The Company manages over 500 moorings in the Percuil River on behalf of its licensees. It is run mainly by local volunteers and continues the tradition of having affordable moorings for the benefit of river users. The costs of moorings in the river would have to rise substantially without the help of volunteers. New Board Members and on-the-water helpers are needed to ensure the continued smooth running of the Company. If you have a few hours to spare and enjoy working as a team managing the workings of a company or doing some on-the-water activities then please get in touch with either Tony Tomlinson on 01872 580274 or Brian Chenoweth on 01326 270305.

Christmas Presents: Why not give club clothing or a burgee? Or perhaps a copy of Nigel Sharp's *A History of St.Mawes Sailing Club* at the special holiday price of £10. Place your orders [via the office](#)

RNLI Christmas Fayre: On Saturday 2nd December from 10am – 1pm in the Memorial Hall at St Mawes. There's a wonderful raffle with the star prize being 'A private showing for 25 at the St Mawes Hotel Cinema'. There are many more prizes and the draw will take place at The Rising Sun at 2pm. Contact [Sheila Hindmarsh](#) if you are able to donate items for the Tombola, for the nearly new or for the cake stall. The latter could be sweet or savoury, cakes, biscuits, puddings, etc. Please bring these along on the day.

If you would be able to help set up tables from 9am and/or take them down at 1pm your help would be greatly appreciated.
