JUNIOR SAIL TRAINING – a message from Mark Osborn:

Bookings are nearly full for the week courses but there are still a few spaces in the Intermediate groups in the afternoons of weeks 3 and 4 (24th-28th July and 4th- 8th August) To book....[click here](#).

There are also a number a Private Tuition sessions available at the end of August.

For those who want to use club boats in Junior Race Week please don't just assume there will be enough boats to go around. Each year we manage to get everyone on the water but it is always touch and go. Why not try and borrow a boat from friends to be safe?
