

FALMOUTH SAIL TRAINING SHIP

"HARDIESSE"

Sail training opportunities for Sailing Club members

The Falmouth Sail Training Ship is a registered charity and has been in existence since 1948. It is a non profit making facility for local youngsters and is maintained by generous supporters and volunteers.

Our present vessel, "Hardiesse", was built in 1972 and is similar in size and design to the trading vessels common around Cornwall prior to the First World War. She is designed to accommodate 10 trainees plus skipper and experienced mate.

The ship is always under the command of a qualified skipper with Royal Yachting Association Offshore Instructor Certificate. Sailing experience in handling a traditional vessel and R.Y.A. recognised courses are provided to youngsters aged from 12 years and cruises to Brittany are a regular feature in the sailing programme.

"Hardiesse" is planning an exciting programme for 2010 and this will include weekend taster courses and regular week long cruises to ports in Brittany. Anyone interested in obtaining further details is recommended to contact Brian Roberts, Millwood House, Mill Lane, Charlestown PL25 3NP. Telephone 01726 77033 email briirob@aol.com

Booking forms for the 2010 programme can be downloaded from the St. Mawes Sailing Club web site www.stmawessailing.co.uk
