

FALMOUTH SAIL TRAINING SHIP

"HARDIESSE"

Sail training opportunities for Sailing Club members

"Hardiesse" is planning an exciting programme for 2012. In addition to the usual weekend training programme and weeklong Brittany cruise the ship will be attending the Brest Festival of Sail.

Every 4 years the people of Brest in southern Brittany host this spectacular festival and welcome over two thousand classic vessels and tall ships from around the world. The Brest Festival of Sail is perfectly orchestrated as only the French seem to know how and is an event not to be missed. There will be considerable demand for the limited places on "Hardiesse" and early booking is essential

Brest Festival of Sail	13 - 22	July
R.Y.A. Training weekend	3 - 5	August
Brittany Cruise	18 - 25	August
