Salcombe Yawls event Saturday 24 / Sun 25. We are expecting about 15 boats in St Mawes. On the Saturday 2 races in Carrick Roads back to back. First warning signal at 11.25, and on the Sunday one race warning signal at 10.55 starting on the Club line.

On Friday 30th to Sunday 2 July the Falmouth Working Boat World Championships take place with around 20 of these magnificent boats competing in the Roads. Two races per day Friday & Saturday, one race on the Sunday.

The St Mawes Pier and Harbour Company has asked us to point out that it permits, as a concession, local people to park on the quay for 10-15 minutes to go to the Bakery, Post Office etc free of charge. However this does not permit Sailing Club members to park on the quay for longer periods without paying the appropriate charge.
