

Bulletin March 2018

Stoneworks annual clean-up

Dust off your brushes, gather up your shovels, unearth your wheelbarrows and bring them along when you come to the annual quay cleaning party at Stoneworks starting at **0930 on Saturday 24th March 2018.**

Your efforts will be rewarded with tea, coffee and cakes!

Social Programme:

Remember that all Catering Bookings are via stmsc-bar@live.co.uk

Saturday 3rd March we have been invited to spend the evening at The Fowey Gallants. The evening is being combined with the Falmouth Working Boat "Winter Regatta" which will be attended by a good number of crews from the other side led by Martin Bidmead. This should be a very amusing and perhaps slightly musical evening and once again The Gallants have promised to give us an excellent Thai Green Curry.

The Community Minibus is now full but you can still make your own way there.

Thursday 8th March at 2000: Speed Sailing Adventures – Dr Clair Bailey who gave us a brilliant talk on avoiding skin cancer last year, will be returning to talk about her round the world speed adventures. Food is Cottage Pie & vegetables.

Thursday 22nd March at 2000: The Arc 2017 - Mark Humphrey will give us an all action account and GoPro video on board Jinja. Food is Chicken Stew served with crispy bread.

Friday 30th – Good Friday. Steak night.

Finally, a reminder for August: Friday 17th August St Mawes SC Regatta Day. As ever, the success of the day depends on club members volunteering. This year we are seeking a team to run the Barbeque. Anyone who would like to take over from Sally Evans and her crew, please contact the Rear Commodore House, Robin Bowden.
