Up to ten Pilot Cutters will be attending and the format will be the same as in previous years: the boats will arrive in St Mawes following a passage race from Fowey on the Friday, and there will be two races on Saturday and one on Sunday afternoon, all starting and finishing on a line formed by the speed limit buoys.

Handicap Yachts Open Meeting Saturday 2 June Three races in the Carrick Roads. Committee boat starts with first legs to windward and then regatta-type courses. See www.stmawessailing.co.uk/downloads/Handicap-Yachts-Open-Meeting-018Notice-of-Race.pdf for more information.

Stoneworks

It is fantastic to see the Quay filling with boats and being used by so many, particularly the Feva and Laser squad who are enthusiastically back on the water. Please ensure all boats are in the correct position, and that all rubbish is removed from Stoneworks.

There is a blue kayak on Stoneworks that mysteriously arrived towards the end of last season. If you think it may belong to you, please contact Katie Wood at quaysec@stmawessailing.co.uk. If no-one comes forward within the next month, it will either be sold, or donated to a good cause.

Please note that it is dangerous to park along Tredenham Road near the entrance to the Stoneworks Quay. Please use hazard lights when loading or unloading and then park in Buckey's Lane.

Harbour Quay

Members are reminded that there is no free car parking on the quay. Whilst racing, or enjoying the cordial atmosphere in the sailing club a ticket for the duration that a vehicle is parked on the quay must be purchased from the pay and display machine, and clearly displayed in the vehicle. The Harbour Company is as accommodating as possible, and allows a short period of grace to visit the Bakery or Post Office. Please do not abuse this concession or it will be lost.

Having been inspired by Roseland Youth Sailing Trust's talk (*Inspirational Sailors*) at the Club last month, Club Members James Osborn and Sam Crossley, who are helping Ian Matthews bring Jinja back to St Mawes from Antigua, are raising money for the trust. James and Sam are calling themselves Team Atlantic. Please help them reach their target (and perhaps beyond) by donating on <https://uk.virginmoneygiving.com/Team/TeamAtlantic>. They are setting off on 7th May.

An S.O.S. from the Roseland Branch of the RNLI

We urgently need a treasurer to help keep the Roseland Branch of the RNLI together. At the present time we have only three committee members, so please help if you can. There is not a lot of work involved as we only have a few meetings in a year. We have raised £126,000 over the last 9 years.
