

St Mawes SC October 2017 Bulletin

Commodores

Nigel Sharp now concludes his tenure as Commodore. His period of office has been marked by enthusiasm for, and knowledge of, all things yachting and his untiring work and direction of the club. He oversaw the very successful refurbishment of the clubhouse and has been an influential and widely admired ambassador for the club over the last 6 years. He leaves it financially sound with an active membership and an influential member of POFSA.

We wish him well for the future and know he will continue to be an active member of the club as he hands over the Commodore's Burgee to Brian Chenoweth who we welcome as our new Commodore.
